### **ARE YOU CONFUSED ABOUT THE NEW REQUIREMENTS TO SELL LONG-TERM CARE AND PARTNERSHIP POLICIES?**

Believe me, you are not alone! That is why we developed a brand new Resource Center to help you understand and stay up-to-date with the changes in state requirements and laws.

Do you want to sell Long Term Care & Partnership policies in several states? Do you know if you are compliant with the continuing education requirements needed to do so?

Just because you take a course that has been approved by the state DOES NOT mean that the companies you represent will accept it as proof of training! You need to be sure that the courses you take are certified by your carriers. One way to do that is to look for the ClearCert seal. All major insurers accept the certification from ClearCert and will often do business only with CE providers who are on their list.

Contact info: call us at 1-800-517-7500 or email to: [sandikruse@kruse.com](mailto:sandikruse@kruse.com)

### **Resource Center**

Our resource center is more than just a list of CE courses for sale. It contains hundreds of pages of federal and state specific information and links to other sites to help you understand and comply with the new regulations. Of course we offer some of the best LTC and PLTC insurance courses in the industry but there is no obligation to purchase anything to use the Resource Center.
